### **4. Consent Agenda**

Discussion occurred regarding the updated Lead and Copper Rule, and the response the PWSB has seen. Jim DeCelles reported that there were many calls for a few weeks in early November when the required notices were sent out, but it has lessened since then. Chris Collins reported that the lab had analyzed 15 lead tests, and only one had a small detect, far below the MCL still. Chris Collins also reported that the levels of the reservoirs were still OK, and the loss at Diamond Hill had slowed significantly.

A motion to approve Consent Agenda was made by Mark Stankiewicz and seconded by Mike Araujo.

**Roll Call Taken:**
